CPYRGHT

Freak spring flood turns Lee Highway in Chattanooga into a kayaker's waterway. Abnormally heavy rains last March caused South Chickamauga Creek, an uncontrolled tributary of the Tennessee, to inundate the Brainerd section of the city for three days. Even the big river itself rose seven feet above flood stage. Damage appraisals ran as high as 65 million dollars, but authorities estimated that losses would have been nearly ten times greater without TVA's dams and reservoirs.
